

# Keeper of the maze

## INTRODUCTION

a.

### Overview

The keeper of the maze is a first person puzzle, horror map. The main character Cobra will have to undergo three mind tricking trials in order to unlock keys around the maze that are used To enter the chamber of a mystical beast that shows ones biggest fears (themselves) but even worse for the main character the Mystical beast also happens to be his doppelganger from Centuries ago. This maze however is timed though if not completed in a certain amount of time the mystical beast will escape and will take revenge against the very world whom held him prisoner.

### Philosophy

Keeper of the Maze is a puzzle, adventure, horror type of game that explores the mind. The idea of this game is to challenge one's mind to overcome trials that seem impossible to do. I want to deliver the content with the idea that you are the only thing standing in your own way. This story I feel will resonate well with this game knowing very well that I this story will connect the player with the feeling of defeating yourself only to release all of the things that have been holding you back.

## NARRATIVE CONTENT

### World

This Game takes place on Earth pre destruction, deep in the forests there is a prison holding a Mysterious beast that has the ability to destroy the planet. This is the only place in the world that can hold this beast. But where the beast is held is deep in a maze of tall bushes that are Not man made and are completely impossible to destroy.

### Character

Cobra- human

This story is about a man named cobra. He is society's only hope to rid the world of the beast And save the world from total destruction. He has a special code to the gate that has sealed The beast for years this is a code that only he has.

## **Narrative**

This game is a story about a man named Cobra who has been dreaming of a secret maze hidden deep in the forests that holds a Mystical beast in the dreams Cobra invisons the beast as some kind of monster. Little does he know what the beast actually looks like. Cobra has been having these nightmares since he was born but a year before his 18th birthday He decided to follow where these dreams have been taking him. It led him to a hut outside a Huge maze where he found scientists who have been keeping watch on the prisoner (beast) for years among his arrival he is told the backstory of how the maze has always been there but they don't have the key to unlock the first gate but only the knowledge of the training needed before entering. Cobra explained that he had the key with the knowledge that only he can enter the maze. The scientists have done research and have found out that the maze can only be entered on one day his 18th birthday but with that comes the knowledge of knowing that if the maze is not completed before the moon rises that night the prisoner will be released and the world destroyed with it. Cobra then spent the next year training for the trials of the maze and the fight of his life. He wakes up the morning of his 18th birthday to enter the maze and his trials begin ...

## **GAME ELEMENTS**

### **Overview**

The keeper of the maze plays like a horror puzzle game in first person. It follows the story of a man named Cobra who must follow his destiny and go enter a maze where he will be met with three trials to be sure that he is truly the one who will save the world. Once he completes these three trials he will be able to collect three keys hidden around the map he will then need to use these keys to unlock the gate at the end of the maze where he will fight the world's mightiest enemy himself. He will also have the opportunity to collect armor weapons and power ups after completing each trial.
